

EYFS – Understanding the World

People and Communities

Changes within living memory and local history

Events beyond living memory

History Curriculum Road Map

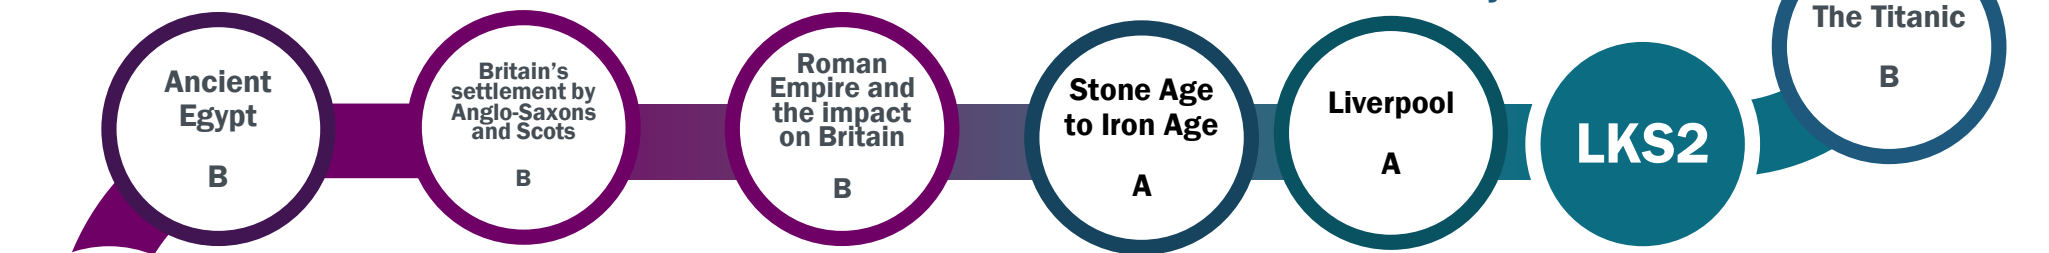

Curriculum Plan

In EYFS children are taught about 'People and Communities' as part of their 'Understanding the World' developmental matters. Children in nursery are encouraged to comment and ask questions about aspects of their familiar world, such as the place they live or the natural world. Children develop an understanding of growth, decay and changes over time. Throughout Reception, children continue to look closely at similarities and differences in relation to places, objects, materials and living things. They talk about their own immediate environment and how environments may vary from one another, i.e. past and present

In KS1 and KS2, we teach history every term, repeating key objectives to deepen understanding of skills and concepts.

World History

In addition, we hold local history days on alternate years across school focusing on our school, our town, our coal mining history and the New Town Development. We work in conjunction with the Skem Heritage Society, The Lathom House Trust and Glassball Studios.
