

Mindfulness quote of the week:  
'You have not failed unless you have stopped trying'

There goes another week and now we only have 3 weeks left. The children have been amazing this week in school! Even though it has been a hot week, they have simply continued to work their socks off and impressed me so much!

In English they wrote some wonderful rainforest descriptions and illustrated them beautifully. In PE the children really impressed me whilst jumping on and off the vault. During RE we had great fun creating puppets and then retelling the story of Diwali. Finally in science children designed and made periscopes.

**Well done to our shining stars this week! We are so very proud of all your amazing talents and how kind and respectful you are!**
