

Mindfulness quote of the week:
'You have not failed unless you have stopped trying'

Hello May, and what a beautiful day to celebrate our new month. This week has been amazing in class and your children have been even more amazing! Their writing skills in English have literally blown me away! In maths they learnt how to estimate and measure angles with fabulous accuracy! During art I felt like I was in a professional art gallery! The children are really working hard to use their observational skills to create stunning sketches. While working in Spanish the children have been learning how to say, read and write different verbs.

Well done to our shining stars this week! These children completed amazing writing in English and stunning artwork too! They are perfect pupils in every single way!

Spanish Revision

Sounds like
che 

Spanish is the sound ch. which sounds like 'che'

Have a wonderful weekend together from Miss Jones and Miss Smith

Online safety guidance

Talking to your child about online safety

How to start the conversation and discuss tricky topics

This week we would like you signpost you to the NSPCC website. Here there are lots of different pages with information about different topics regarding online safety.
