

Junior 4 and 5 Newsletter

19.06.26

It's been another fun and busy week! We celebrated England's first game with an own-clothes day, and it was great to see so many children wearing their team colours. We've also enjoyed visits from local high schools and taken part in lots of different activities throughout the week.

The classrooms have been full of creativity, with some fantastic artwork being produced and plenty of enthusiastic learning taking place. In English, the children have completed their independent writes and should be very proud of what they have achieved. In maths, we have been practising our multiplication facts and learning about ratio.

Our Learning

Next week we will be recapping our learning on multiplying and dividing.
