

Junior 4 and 5 Newsletter

13.3.26

It's been another busy and productive week in our classroom, with both Year 5 and Year 6 showing great focus and determination. The Year 6 children have been working incredibly hard on past SATs papers, approaching each task with maturity and resilience, while Year 5 have been completing their end-of-term assessments with a positive attitude. We're very proud of the effort everyone has put in. Alongside all this hard work, we're also looking forward to some fun, with excitement building for our upcoming Easter Bingo Night!

Our Learning

English:

In English, the children have been finishing their *Jabberwocky* narratives, applying the skills they have developed over the unit. They have also begun reading *Letters from the Lighthouse*, showing great interest in the story and its historical context.

Maths:

In maths, the Year 6 children have been focusing on place value and ratio, building their understanding and applying these skills to a range of problems.

Science:

In science, the children have been learning about the circulatory system and the role of blood, exploring how it travels around the body and supports vital functions.

RE:

In RE, the children have been learning about the Easter story, exploring its key events and meaning.

History:

In history, the children have been learning about the raids at Lindisfarne and how the Vikings first raided England before eventually choosing to settle here. They have begun to understand the impact of these raids and how this period shaped British history.

Diary Dates
