Friday 19th June 2026

This Week

This week in English, the children completed a short incidental writing task. They wrote a diary entry imagining they were Lucy stepping through the wardrobe and discovering Narnia for the very first time. We were impressed by the children's creativity and their use of descriptive language to capture Lucy's thoughts and feelings. In Maths, we have continued to develop our knowledge and understanding of complements to 100. The children have also been applying the written methods for addition and subtraction, building confidence and accuracy when solving calculations. In Science, we have begun our exciting new unit on electricity and circuits. This week, the children explored different electrical appliances and grouped them according to whether they are powered by batteries or by the mains supply. During our PE lessons, we have been developing our fundamental throwing and catching skills in preparation for cricket. The children showed great teamwork and perseverance as they practised these important skills. On Wednesday, we thoroughly enjoyed celebrating England playing in the World Cup. The children looked fantastic dressed for the occasion and had great fun taking part in a range of World Cup-themed activities. Be sure to visit our Facebook page to see some photos from the day!

Key Dates:

Saturday 20th June—Summer Fayre

Wednesday 24th June—Sports Day 1:20pm

Tuesday 30th June—Junior 2 Library Visit

Wednesday 8th July—Junior 1 Library Visit

Wednesday 15th July—School Trip

Home Learning

English—Word classes

Maths—Complements

Stars of the Week

Junior 1

Reuben Ashton, Oliwia Viczena & Jackson Wilson

Junior 2

Mary James, Aymira Dennis & Natalie Tedford

Spanish sound of the week

Sounds like "ny" sound in the English word "canyon" or the "ni" in "onion"
It requires pressing the tongue flat against the roof of the mouth

Growth Mindset Quote: Today is going to be a great day!
