This Week

What a wonderfully warm week it has been! Despite the high temperatures, the children have worked incredibly hard and shown fantastic resilience. We have done our best to stay cool by keeping hydrated and taking regular water breaks. In English, we have continued reading *The Lion, the Witch and the Wardrobe*, with the children creating imaginative supernatural character profiles inspired by the story. In Mathematics, we have focused on securing key skills through fluency and reasoning activities. This week in Geography, we have been learning about Fairtrade and the important role of Fairtrade farmers. Children enjoyed creating working electrical circuits in Science while learning about the purpose of each component. In Art, we explored the work of botanical artist Marianne North as inspiration for our art competition. The children produced some fantastic observational sketches, demonstrating great care and creativity. Well done to everyone for another brilliant week of learning. We hope you have a lovely weekend!

Spanish sound of the week

Sounds like "ny" sound in the English word "canyon" or the "ni" in "onion"

It requires pressing the tongue flat against the roof of the mouth
