

Junior 1 & 2 Newsletter

Friday 3rd July 2026

This Week

It's been another great week with sports day and our head teacher day, the children have all been amazing and showed great sportsmanship on our Sports day! We are really proud of everyone! In English we have started to plan our own fantasy story inspired by our current class novel *The Lion, Witch and The Wardrobe*, by gathering expanding noun phrases and adjectives to describe our supernatural character and setting. In Maths this week we have consolidated our learning of understanding fractions, comparing them and finding fractions of amounts. We have continued to explore electrical circuits in Science using different components. Today children have enjoyed watching the film *Narnia* as an extension to our English lessons.

Key Dates:

Tuesday 7th July—whole school transition
