Home Learning:

Please continue to practise reading the phonics words sent via seesaw.

Please could you also continue to practise counting forwards and backwards from any number to 100 with your child, many thanks.

Diary dates and reminders...

Monday 4th May – Bank holiday

Wednesday 20th May – Year 1 and 2 school trip to Imagine That, Liverpool

Friday 22nd May – school closes for half term

IMPORTANT: We need all school trip permission slips and medical forms back into school no later than Friday 1st May. This is so that our school risk assessments can be completed accurately. If you have misplaced the permission slip and/or medical form, please send a message via See Saw and we can pop another copy in your child's school bag. 😊

Next Week's Learning:

Maths: We will work on halves and quarters and use positional and directional language too.

English: We will start to write our own version of 'Where the Wild Things Are'!

Science: We will learn about seeds and bulbs.

History: We will be finding out more about the history of Lathom House.

DT: We will continue to make our playground prototypes.

RE: We will be learning about symbols in Christianity.
