

Infant 4 and 5 Weekly Newsletter –Friday 19th September

Mrs Davies (Infant 4) and Mrs Barrett (Infant 5)

"We don't make mistakes, we make discoveries"

Well done to last week's Stars of the Week!

Sadie, Rory, Gracie

Alice, Travis, Olivia

Diary dates and reminders...

- **Wednesday 24th September** Infant 5 trip to the library.

Please note, Infant 4's trip to the library will be rescheduled via see saw.

- **Friday 10th October:** Flu immunisations.
- **Friday 10th October:** Hello Yellow Day. The children are invited to come to school wearing something yellow (*Non uniform day*)
- **Monday 13th October:** Our annual school Book Week stars!
- **Friday 17th October:** Book character dress up day! (*Non uniform*)
- **Thursday 23rd October:** Sibling and individual photo day.
- **Friday 24th October:** Last Day of half term.

Next week, we will begin to upload photographs of the children working! Thank you for your completed photo consent forms. We can't wait to share the exciting learning that takes place in Infant 4 and 5!

This week's growth mindset quote: Mistakes can help me learn and grow

Home learning

Home reading: The children read their home reader and school guided read books to an adult most days. Thank you for supporting your child with their reading at home 😊

Phonics: Phonics home learning has been sent home in children's plastic wallets.

Maths: Use

www.coolmath4kids.com/manipulatives/ten-frame to practise making 2-digit numbers. Drag three ten frames onto the screen and then use the aliens to make amounts like we have in class. **Remember – count your full ten frames in 10s!** NOTE: Year 1s to focus on numbers to 29 only. *If you need any help with this at all, please feel free to send us a message!*

Next week's learning:

In English, we will begin writing our own version of Astro Girl.

In maths, Y1 will be finding 1 more and 1 fewer. Y2 will be finding 10 more and 10 fewer.

In science, we will be naming common wild and garden plants.

In history, we will learn about Katherine Johnson and her important contributions to the space race.

In DT we will begin designing our own moving vehicles.

In music, we will continue keeping and beat and talking about rhythm.

In PSHE, we will talk about how our families all look different but are all very special.
