

## Infant 3 Weekly Newsletter –Friday 14<sup>th</sup> November

Mrs Quirk and Miss Charnock

*"My best effort makes my best work"*

### Stars of the Week!

Theo, James  
and Skylar

### Home learning

Home learning work is in their blue bags.

Maths- please can you support your child learning the number bonds to 10. Our aim is to know them off by heart!

### Diary dates and reminders...

- **Friday 21<sup>st</sup> November:** Non uniform – we ask for a voluntary contribution of a bottle of anything to help stock our Christmas markets.
- **Thursday 27<sup>th</sup> November:** Y1 and Y2 Christmas Carol Concert for parents (A choice of a morning performance and an afternoon performance)
- **Friday 28<sup>th</sup> November:** Non uniform – we ask children for a voluntary contribution of a small bag of sweets to help stock the Christmas market.
- **Friday 5<sup>th</sup> December:** Christmas Markets after school.
- **Wednesday 10<sup>th</sup> December:** Christmas lunch at school.
- Carol Concert Tickets.

If you have been unable to purchase tickets for the show and would like to, please send money with your child and let us know on see saw. Families are allocated 2 tickets each and can choose the morning or afternoon performance – or alternately 1 for the AM and 1 for the PM.

Growth Mindset quote of the week

*'I can make lessons from my mistakes!'*

### This week's learning:

This week we have been matching upper case with lower case letters in English.

In Maths we have been naming 2D and 3D shapes- including spheres and pyramids.

In History we finished our topic on the space race and how space travel has changed over time.

In RE we had a visit from Reverend Paul who helped us understand why Christians call Jesus the 'light of the world'.

We have also continued to practise our Christmas show and its sounding great!
