

Mindfulness quote of the week:

'You have not failed unless you have stopped trying'

How is it Friday already? What a wonderful week of creativity! Today the children have created some amazing artwork in honour of David Attenborough. Their talents are growing stronger every week! This week in English they have continued studying different Legends and they wrote their own ending to the legend of Robin Hood. I was very impressed! In maths, we have developed skill when plotting, reflecting and translating shapes. During Spanish the children learnt how to say, that they do not know how to do 10 different activities E.g. swimming, singing and cooking.

Well done to our stars of this week! These children amazed us with their art work, and maths too! They are amazing!
