

Mindfulness quote of the week:  
'You have not failed unless you have stopped trying'

Thank you all so much for all the donations of sweets and bottles, which you have sent in over the past two weeks.

Another week has once again flown by, and we now have only 4 to go. Time really does fly when you're having fun! **This week in school the children had great fun in PE making gymnastic routines up on the benches.** In Spanish, the children continued to learn how to say a range of fruit. During science, we explored the angles, that light reflects off a mirror. **During English we began reading a humorous novel.** However, the highlight was our World Cup Day! We had so much fun!

Here are the shining stars of this week! An amazing board game was created, a stunning world cup trophy was designed and a wonderful piece of creative writing blew us all away!  
**We are so proud of you!**
