

Mindfulness quote of the week:

'You have not failed unless you have stopped trying'

What a great week we have had in Junior 3. The children have been finishing their movie trailers in computing and I am delighted with the teamwork that I have seen! In English we have continued reading our novel and the children wrote some very detailed descriptions to bring their writing alive. In maths, they worked on fractions and blew me away with their ability to use known number facts to calculate fractions of very large amounts! Finally, during headteacher day, they created some very life like sketches of their new headteacher.

Well done to our chosen stars this week!

These children are such a delight to teach!

They fill our classroom with amazing work, which is of a very high quality!

They also show amazing kindness towards others!

Reminders

Monday 6th July is the Y5 sports day. This is planned to start at 1:20pm

Tuesday 7th July is our first transition afternoon. All children will visit the class they are in next year for a taster session. There will be another transition afternoon the following Tuesday too.

Wednesday 8th July is our trip to the library. Please can you send me your consent form if you haven't already done so.

Have a wonderful weekend together from Miss Jones and Miss Smith
